MAN TRAVELING UNDER ASSUMED NAME KILLS SELF

"H. P. Edwards," brother of Capt. Raymond Sheldon, U.S.A., dies on venture

HANGS SELF BY NECKTIE
FROM KEY OF PORTHOLE

Letter from Wm. Refers to
"Beginning Anew." Booked
THROUGH TO AUSTRALIA

(Associated Press by Federal Wireless)

CHICAGO, Ill., Nov. 1.—Capt. Raymond Sheldon, of the United States Army, says that the man who committed suicide on the Venetia, under the name of Edwards, is his brother. His widow, the brother has been in trouble.

This closes the fourth bonus period. The first period was for the 12 months ending October 31, 1912. The bonuses have been at the rate of 17 per cent, 1 per cent and 5 per cent. For the three periods a total of \$573,672 has been paid to plantation laborers in the way of bonuses. The bonus for the year just closed will exceed the total amount of the combined bonus for the three previous periods, and is estimated to reach the neighborhood of \$700,000.

It is also probable that in many instances plantation employees other than laborers will be given handsome bonuses so that altogether not far from a million dollars may be distributed in extras to the men who by their work have helped the plantations to one of the most successful years in the history of the industry.

Sugar for the current year has averaged 44.24 cents per pound.

FOREIGN MINISTER OF RUSSIA MAY RESIGN

Sergius Sazonoff,
GERMAN OFFICIAL
CABLEGRAMS

The following cablegram from official German source was received this morning:

"German Headquarters Report, October 30. The armies of Generals von Kresswitz and von Gallwitz successfully stormed the enemy's positions and captured more than 3,000 Serbians. Two machine guns and one cannon were taken. General Boisot's army continues its retreat."

Hanging himself with his necktie from the key of his stateroom porthole, on the morning of his 39th birthday, H. P. Edwards, a first cabin passenger bound for Sydney on the Oceanic steamer Venetia, committed suicide at dawn today while the ship was still outside the three-mile limit, steaming toward this port.

His dead body, dangling from the looped necktie, was discovered by his stateroom companion, Lt. Miller, when the latter came into the porthole to brush his teeth after an early walk about the deck. The man seemed to be kneeling on the settee below the porthole, with his face toward the opening, as if breathing in the fresh sea air.

Lt. Edwards' body was found hanging from the key of his bunk. The sailor was still in his bunk at that time. When he went to bed at 10:30 o'clock last night he was in his bunk, his face turned toward the wall.

"After I had walked around on deck awhile this morning I came back to

THANKSGIVING
PROCLAMATION
FOR TERRITORY

Governor Pinkham Makes Plea
for Sympathy, Under-

standing and Justice

GOVERNOR'S PROCLAMATION

The President of the United

States having proclaimed the

25th day of November of the

year 1915 as a day of national

thanksgiving to Almighty Prov-

idence that has so kindly cared

for and prospered us, I urge

the people of the Territory

of Hawaii to join together,

with the nation, in rendering

praise and thanksgiving for the

merciful gifts and favors granted us.

Let us, as we need, broaden

our minds, sympathies and un-

derstandings, and seek justice

for all that the scales may hang

even.

While we pray for the nations

of the earth, now in desperate

struggle, let us trust to the in-

scrutable ways of the Creator and

Ruler of the Universe and bow to

his decision, be it as it may.

Let the people gather in their

places of worship and homes,

and each, as his heart and con-

science dictates, give thanks, af-

fliction and renew family affec-

tion and welcome the stranger

within our gates.

In witness whereof I have

hereunto set my hand and caused

the Great Seal of the Territory

of Hawaii to be affixed.

Done at the Capitol in Honolu-

lu this 1st day of November,

A. D. 1915.

LONDON, England, Nov. 1.—The present Russian cabinet is tottering and rumors are rife of drastic reorganization of the leaders of government to prosecute the war more successfully.

It is understood that the appointment of Jean Gomnykin as chancellor of Russia, with control of foreign affairs to a large extent, is imminent. It is also said that Alexei Khvostoff, now minister of justice, will succeed Gomnykin as premier.
